BUSINESS OWNERSHIP

Tim’s Towing & Auto Recovery – Mechanicsburg, Ohio (1990–Present)

- Founder, Owner & CEO of a family-owned towing and roadside assistance business, located at 15 W. Sandusky, Mechanicsburg, Ohio, and proudly serving the residents of Champaign and Clark county areas for nearly 30 years.
- Launched company with 1 truck, responding to a community demand for transporting vehicles to be serviced by the Champaign 76 Service Station and other local repair facilities.
- Successfully grew the company to 20 trucks and 15 full-time and 3 part-time employees, many of whom have been with the company for 10+ years.
- Responsible for managing the daily business operations, including accounting, budgeting, advertising, scheduling, human resources, ordering, purchasing, and repairs, while ensuring exceptional levels of customer service.
- Completed the TIMS National Incident Management Training course, which dealt with safety and accident scene chain of command.

SUMMARY

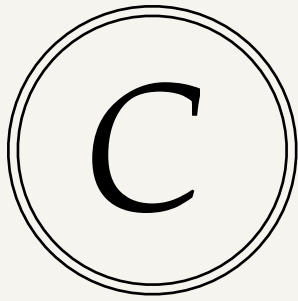

An 18-year Goshen Township Trustee, Tim brings a deep background as an elected official and a trusted fiduciary of public tax funds, with specific experience in community planning and development to achieve economic, residential, and recreational growth. He has hands-on expertise in budget management, zoning, infrastructure and roads, fire and emergency services, public health issues, and disaster readiness. Mr. Cassady has proudly served Champaign County residents for the past 30 years—both in public office and professionally—and he looks forward to the opportunity to serve all the constituents of Champaign County as the next County Commissioner.
